Dear Colleague,

Join me and your colleagues in internal medicine at the next scientific meeting of the Minnesota Chapter of the American College of Physicians, being held October 26 and 27, 2017, at the Minneapolis Convention Center.

This meeting is a great way for you to recharge, rewind, reflect, and reconnect with your peers, chapter leaders, and great speakers. Make your connection to the Minnesota Chapter’s rich source of knowledge content and networking by attending our premier meeting for general internists, subspecialty internists, hospitalists, family physicians, nurse practitioners, physician assistants, residents, and medical students.

In addition to earning CME credits, this conference is about making personal connections. You’ll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a clinician but also the needs of the patients you serve.

To ensure your place at this valuable meeting, register now by visiting us online at www.acponline.org/about-acp/chapters-regions/united-states/minnesota-chapter/news-meetings. To register by phone, please call 800-523-1546, ext. 2600 (M–F, 9am–5pm ET)

I look forward to seeing you in Minneapolis.

Sincerely,

John Bundrick, MD, FACP
ACP Governor, Minnesota Chapter

SEP Learning Objectives

• Participate in group discussion to determine answers to multiple-choice questions.
• Apply updated knowledge of internal medicine to clinical practice.
• Recall recent advances in internal medicine.
• Complete an ABIM SEP Module toward partial fulfillment of the ABIM’s Maintenance of Certification.

Who Should Attend the SEP Postcourse?

• Internists participating in the ABIM Maintenance of Certification Program
• General internists
• Family practitioners
• Subspecialty physicians

SEP Note

The Minnesota Chapter will provide you with a learner’s copy of the ABIM module(s) at the meeting. If you are enrolled in the ABIM’s Maintenance of Certification program, you also must order the module* directly from the ABIM by visiting www.abim.org/online. After the Learning Session, submit your answers online to the ABIM for Maintenance of Certification credit. For more information about the ABIM’s Maintenance of Certification program, visit www.abim.org/moc or call ABIM at 800-441-ABIM (2246).

This module is eligible for 20 MOC points through ABIM.

*If you are already enrolled in the ABIM Maintenance of Certification program, there is no additional fee for this official version of the module. If you are not enrolled, you may attend the Learning Session; however, you must enroll before receiving Maintenance of Certification points for the knowledge module. To enroll, visit www.abim.org/online.
