Learning in the Lowcountry: 2017 Internal Medicine Update
This live activity has been designated for 11.75 CME credits and MOC points.
Meeting Highlights

• The Humanities Are the Hormones—Or Are They?
• Reducing Administrative Burdens in Physician Practice
• Healthcare Policy Update
• New Drug Update

• Update in Hospital Medicine
• What Would A Geriatrician Do?
• Physician Burnout: Is There Hope?
• Accountable Care Unit Model of Inpatient Care

Dear Colleague,

Join me and your colleagues in internal medicine at the next scientific meeting of the South Carolina Chapter of the American College of Physicians, being held October 19–22, at the Charleston Marriott Hotel.

The meeting is a great way for you to recharge, rewind, and reflect with your peers, chapter leaders, and great speakers. Connect with the South Carolina Chapter’s rich source of knowledge content and networking by attending our premier meeting for general internists, subspecialty internists, hospitalists, allied health practitioners, residents, and medical students.

In addition to earning CME credits and MOC points, this conference is about making personal contacts and getting involved in your chapter. You’ll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a physician, but also the needs of the patients you serve.

To ensure your place at this invaluable meeting, register now by visiting us online at www.acponline.org/about-acp/chapters-regions/united-states/south-carolina-chapter/news-meetings.

I look forward to seeing you in Charleston.

Sincerely,

Patricia E. Sadler, MD, HMDC, FACP
ACP Governor, South Carolina Chapter

Learning Objectives

At the conclusion of this activity, the participant will be able to:

- Apply updated knowledge of internal medicine to clinical practice.
- Improve clinical practice by incorporating major new developments in subspecialty medicine.
- Understand recent advances in internal medicine.
- Increase confidence in performing clinical skills.

CME Accreditation

The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this live activity for a maximum of 11.75 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 11.75 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Chapter Awards

It is with distinct pleasure that the South Carolina Chapter presents this year’s Laureate Award. Laureate Award winners are long-standing and loyal supporters of the College who have rendered distinguished service to their chapters and community and have upheld the high ideals and professional standards for which the College is known.

The Laureate Award along with the James McFarland and Early Career Physician Awards will be presented on Friday evening, October 20.
