**Dear Colleague,**

Join me and your colleagues in internal medicine at the next scientific meeting of the Tennessee Chapter of the American College of Physicians, being held October 27–28 at the Franklin Marriott Cool Springs.

This is a place for you to recharge, rewind, reflect, and reconnect with your peers, chapter leaders, and great speakers. Make your connection to the Tennessee Chapter’s rich source of knowledge content and networking by attending our premier meeting for general internists, subspecialty internists, hospitalists, allied health practitioners, residents, and medical students.

In addition to earning CME credits, this conference is about making personal connections and getting involved in your chapter. You’ll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a physician but also the needs of the patients you serve.

To ensure your place at this invaluable meeting, register now by visiting us online at [tnchapter.acponline.org](http://tnchapter.acponline.org).

I look forward to seeing you in Franklin.

---

**Sincerely,**

**Tracey E. Doering, MD, FACP**  
ACP Governor, Tennessee Chapter

Resident/Fellow Members’ and Medical Students’ Activities
Clinical vignettes, posters, and research papers prepared by Resident/Fellow Members and Medical Students will be presented at the meeting. Winners will receive gift certificates from the ACP store and will be eligible for entrance into the national competition held during Internal Medicine 2018. Please visit the Chapter Web site for information about the abstract competition. Deadline for submissions is August 15, 2017.

In addition, Tennessee internal medicine residents, MD and DO medical students, and internists practicing in the State of Tennessee, are eligible to enter our sixth annual ACP Tennessee Chapter Narrative Medicine competition. Please visit the Chapter Web site for information about the narrative competition. The deadline for submissions is August 15, 2017.

A Resident/Fellow Member and Medical Student breakfast will be held on Saturday morning.

CME Accreditation and MOC Points
The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this live activity for a maximum of 10.5 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 10.5 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

SEP Note

The Tennessee Chapter will provide you with a learner’s copy of the ABIM module(s) at the meeting. If you are enrolled in the ABIM’s Maintenance of Certification program, you also must order the module* directly from the ABIM by visiting www.abim.org/online. After the Learning Session, submit your answers online to the ABIM for Maintenance of Certification credit. For more information about the ABIM’s Maintenance of Certification program, visit www.abim.org/moc or call ABIM at 800-441-ABIM (2246).

Each module is eligible for 10 MOC points through ABIM.

*If you are already enrolled in the ABIM Maintenance of Certification program, there is no additional fee for this official version of the module. If you are not enrolled, you may attend the Learning Session; however, you must enroll before receiving Maintenance of Certification points for the knowledge module. To enroll, visit www.abim.org/online.
