Fostering Excellence in Internal Medicine

This live activity has been designated for 10 CME credits and 10 MOC points
An additional 4 CME credits can be obtained by attending the SEP sessions

Arkansas
Chapter

Meeting Highlights

- MACRA Update
- Updates in Transitions of Care, Rheumatoid Arthritis, and Diabetes
- Two SEP Modules
- Top 10 Papers in Internal Medicine 2018

Dear Colleague,

Join me and your colleagues in internal medicine at the next scientific meeting of the Arkansas Chapter of the American College of Physicians, being held September, 7–8, 2018, at the DoubleTree by Hilton in Little Rock.

The meeting is a great way for you to recharge, rewind, and reflect with your peers, chapter leaders, and great speakers. Connect with the Arkansas Chapter's rich source of knowledge content and networking by attending our premier meeting for general internists, subspecialty internists, hospitalists, allied health practitioners, residents, and medical students.

In addition to earning CME credits, this conference is about making personal contacts and getting involved in your chapter. You'll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a physician, but also the needs of the patients you serve.

To ensure your place at this invaluable meeting, register now by visiting us online at www.acponline.org/about-acp/chapters-regions/united-states/arkansas-chapter.

I look forward to seeing you in Little Rock.

Sincerely,

Omar T. Atiq, MD FACP
ACP Governor, Arkansas Chapter

Meeting Information

Resident/Fellow Members' and Medical Students' Activities

Clinical vignettes, posters, and research papers prepared by Resident/Fellow Members and Medical Students will be presented at the meeting. Winners will receive travel stipends or prize money and be eligible for entrance into the national competition held during Internal Medicine Meeting 2019. Contact Colleen Keeku at colleenkeekuacp@gmail.com for information about entering the Resident/Fellow Members' Competition.

Learning Objectives

At the conclusion of this activity, the participant will be able to:

- Apply updated knowledge of internal medicine to clinical practice.
- Improve clinical practice by incorporating major new developments in subspecialty medicine.
- Understand recent advances in internal medicine.
- Understand political advocacy and reform.

Who should attend?

- General internists
- Subspecialty internists
- Family practitioners
- Fellows in subspecialty training
- Hospitalists
- Allied health practitioners
- Residents
- Medical students interested in internal medicine

CME Accreditation and MOC Points

The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this live activity for a maximum of **10 AMA PRA Category 1 Credit(s)**[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 10 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

The American College of Physicians designates this live activity, the SEP modules, for a maximum of **4 AMA PRA Category 1 Credit(s)**[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Additional Information
