# Meeting Highlights

- Two SEP modules
- Medical Student and Resident Poster Competitions
- Doctor's Dilemma®
- Updates in Hypertension Management and Palliative Care
- Translational Science and the Road to New Treatments
- The Role and Value of Hospitalists

Dear Colleague,

Join me and your colleagues in internal medicine at the next scientific meeting of the Arizona Chapter of the American College of Physicians, being held November 9–11, 2018, at the Memorial Union–Arizona State University in Tempe.

The meeting is a great way for you to recharge, rewind, and reflect with your peers, chapter leaders, and great speakers. Connect with the Arizona Chapter's rich source of knowledge content and networking by attending our premier meeting for general internists, subspecialty internists, hospitalists, allied health practitioners, residents, and medical students.

In addition to earning CME credits, this conference is about making personal contacts and getting involved in your chapter. You'll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a physician, but also the needs of the patients you serve.

To ensure your place at this invaluable meeting, register now by visiting us online at [azchapter.acponline.org](http://azchapter.acponline.org).

I look forward to seeing you in Tempe!

Sincerely,

Robert M. Aaronson, MD, FACP  
ACP Governor, Arizona Chapter
