Fostering Excellence in Internal Medicine
This live activity has been designated for 6 CME credits and 6 MOC points.
Dear Colleague,

Join me and your colleagues in internal medicine at the next scientific meeting of the New Hampshire Chapter of the American College of Physicians, being held October 26, 2018, at the Hilton Garden Inn.

The meeting is a great way for you to recharge, rewind, and reflect with your peers, chapter leaders, and great speakers. Connect with the New Hampshire Chapter’s rich source of knowledge content and networking by attending our premier meeting for general internists, subspecialty internists, hospitalists, allied health practitioners, residents, and medical students.

In addition to earning CME credits, this conference is about making personal contacts and getting involved in your chapter. You’ll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a physician, but also the needs of the patients you serve.

To ensure your place at this invaluable meeting, register now by visiting us online at nhchapter.acponline.org.

I look forward to seeing you in Lebanon.

Sincerely,

William Palmer, MD, FACP
ACP Governor, New Hampshire Chapter

Learning Objectives

At the conclusion of this activity, the participant will be able to:

- Apply updated knowledge of internal medicine to clinical practice.
- Understand recent advances in internal medicine.
- Increase confidence in performing clinical skills.

CME Accreditation and MOC Points

The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this live activity for a maximum of 6 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 6 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Resident/Fellow Members’ and Medical Students’ Activities

Clinical vignettes and posters prepared by Resident/Fellow Members and Medical Students will be presented at the meeting. Winners will receive a cash prize and be eligible for entrance into the national competition held during Internal Medicine Meeting 2019. Contact Kenton Powell, MD, FACP, at Kenton.E.Powell@hitchcock.org for information about entering the Resident/Fellow Members’ Competition. Deadline for submissions is September 28, 2018.

Who should Attend?

- General internists
- Subspecialty internists
