Orthopedics Updates
This live activity has been designated for 9.5 CME credits and MOC points.
Dear Colleague,

The fifth ACP Colorado Ortho Day Meeting will be held on October 13, 2018, at Presbyterian/St. Luke’s Medical Center in Denver, Colorado.

We are excited to announce the addition of a special educational day devoted to learning and reviewing the orthopedic examination for internists, nurse practitioners, physician assistants, medical students, and residents. Those of you who have learned from Dr. Parks know that he is a dedicated and extremely popular teacher, and we are thrilled that he will be providing instruction on how to manage common musculoskeletal concerns.

Please take this opportunity to brush up on your knowledge and to spend the day with colleagues.

I look forward to seeing you in Denver.

Sincerely,

Andy Fine, MD, FACP
ACP Governor, Colorado Chapter

Faculty

Edward (Ted) Parks, MD, Professor of Medicine, Department of Medicine, University of Colorado School of Medicine, Orthopedic Surgeon, Western Orthopedics, PC, Denver

Ted Parks is an orthopedic surgeon who has spent the past 20 years in collaboration with the ACP and the internal medicine department at the University of Colorado to develop a curriculum centered around teaching orthopedics to primary care providers. He is an annual speaker at the regional and national level for the ACP and has won numerous teaching awards. For over 15 years, he has been selected by the University of Colorado Internal Medicine department to teach internal medicine residents during their 1-month orthopedics rotation. He has been awarded “Best Doctor” by U.S. News and World Report, and “Top Doctor” 15 years in a row by Denver’s 5280 magazine. Dr. Parks graduated from Stanford with a BS and MS, and then got his medical degree at Yale. He went on to do his residency at UCLA and did a 1-year fellowship in sports medicine with Dr. Frank Noyes in Cincinnati.

Learning Objectives

At the conclusion of this activity, the participant will be able to:

- Understand the pathophysiology behind the orthopedic disorders commonly seen in the clinic.
- Determine when to order MRIs or other special studies when evaluating orthopedic problems.
- Know what injection techniques are used for treatment.
- Recognize what parts of the physical examination are most useful in diagnosing common orthopedic problems.

Who should attend?

- General internists
- Subspecialty internists
- Family practitioners
- Fellows in subspecialty training
- Hospitalists
- Allied health practitioners
- Residents
- Medical students interested in internal medicine

CME Accreditation and MOC Points

The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this live activity for a maximum of 9.5 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 9.5 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
Directions/Parking
Parking is available in the parking garage across from Presbyterian/St. Luke’s Medical Center. The parking garage is located across from the front entrance of the medical center.

Visit us online for details on hotel reservations, directions, parking, and areas of interest.

Satisfaction Guarantee
The College offers a satisfaction guarantee for all of its courses. If meeting attendees are not satisfied with their experience at a chapter meeting, they may write and request a refund of their registration fee.

Registration Information
No late registration fee or on-site fee will be charged.
