Fostering Excellence in Internal Medicine
This live activity has been designated for 12 CME credits and 12 MOC points.
Meeting Highlights

- Treatment and Management of Insomnia
- Obesity Treatment
- Update in Heart Failure
- Migraine Diagnosis and Management
- Hypertension Management

Dear Colleague,

Join me and your colleagues in internal medicine at the next scientific meeting of the Kansas Chapter of the American College of Physicians, being held October 11–12, 2018, at the Hyatt Place in Lenexa.

The meeting is a great way for you to recharge, rewind, and reflect with your peers, chapter leaders, and great speakers. Connect with the Kansas Chapter’s rich source of knowledge content and networking by attending our premier meeting for general internists, subspecialty internists, hospitalists, allied health practitioners, residents, and medical students.

In addition to earning CME credits, this conference is about making personal contacts and getting involved in your chapter. You’ll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a physician, but also the needs of the patients you serve.

To ensure your place at this invaluable meeting, register now by visiting us online at kschapter.acponline.org.

I look forward to seeing you in Lenexa.

Sincerely,

Isaac O. Opole, MD, PhD, FACP
ACP Governor, Kansas Chapter

Melissa E. Taylor, MD
Meeting Information

Learning Objectives

At the conclusion of this activity, the participant will be able to:

• Learn different treatment options to manage insomnia, including pharmacologic and CBT.
• Learn the benefits and drawbacks of the various diets available for obesity treatment and weight loss management.
• Understand multiple treatment methods/side effect profiles that are available for preventive and abortive therapy for migraines.
• Discuss the 2017 GOLD Guidelines and the new COPD severity classification.

Who Should Attend?

• General internists
• Subspecialty internists
• Fellows in subspecialty training
• Hospitalists
• Allied health practitioners
• Residents
• Medical students interested in internal medicine

Chapter Awards

It is with distinct pleasure that the Kansas Chapter presents Robert G. Badgett, MD, FACP, with this year’s Laureate Award. Laureate Award winners are long-standing and loyal supporters of the College who have rendered distinguished service to their chapters and community and have upheld the high ideals and professional standards for which the College is known.

Also, the chapter is pleased to present the Early Career Physician of the Year Award to Samer I. Antonios, MD, FACP. The awards will be presented during the Awards Luncheon.

CME Accreditation

The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this live activity for a maximum of 12 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 12 medical knowledge MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credit claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
Hotel Accommodations

We have reserved a block of rooms at the following rates until **September 11, 2018**. When making your reservation, be sure to mention that you will be attending the ACP Kansas Chapter meeting.
