Dear Colleague,

Join me and your colleagues in internal medicine at the next scientific meeting of the Michigan Chapter of the American College of Physicians, being held October 13–15, 2018, at the Grand Traverse Resort & Spa.

The meeting is a great way for you to recharge, rewind, and reflect with your peers, chapter leaders, and great speakers. Connect with the Michigan Chapter's rich source of knowledge content and networking by attending our premier meeting for general internists, subspecialty internists, hospitalists, allied health practitioners, residents, and medical students.

In addition to earning CME credits, this conference is about making personal contacts and getting involved in your chapter. You'll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a physician but also the needs of the patients you serve.

We also welcome our continued collaboration with the Michigan Chapter, Society of Hospital Medicine at this meeting!
