Leading Internal Medicine, Improving Lives

Nebraska
Chapter

Meeting Highlights

- Perioperative Care
- *Clostridium difficile* Guidelines and Treatment Update
- Gout Guidelines: ACP vs. ACR
- Leadership and Wellness Panel
- Thieves' Market with J. Scott Neumeister, MD, FACP
- Doctor's Dilemma® with Devin Fox, MD, MBA, FACP
- Expanded poster sessions for residents and students
- Reduced registration fees

Dear Colleague,

Join me and your colleagues in internal medicine at the next scientific meeting of the Nebraska Chapter of the American College of Physicians, being held October 26–27, 2018, at the Methodist Healthcare System Ballroom in Omaha.

The meeting is a great way for you to recharge, rewind, and reflect with your peers, chapter leaders, and great speakers. Connect with the Nebraska Chapter's rich source of knowledge content and networking by attending our premier meeting for general internists, subspecialty internists, hospitalists, allied health practitioners, residents, and medical students.

In addition to earning CME credits, this conference is about making personal contacts and getting involved in your chapter. You'll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a physician but also the needs of the patients you serve.

And there's more! Watch your e-mail for news of CME-accredited satellite activities.

On top of that, we've cut the registration fee from \$160 to only \$25!

To ensure your place at this invaluable meeting, register now by visiting us online at nechapter.acponline.org.

I look forward to seeing you in Omaha.

Sincerely,

Marvin J. Bittner, MD, FACP
ACP Governor, Nebraska Chapter

Meeting Information

Resident/Fellow Members' and Medical Students' Activities

Posters prepared by Resident/Fellow Members and Medical Students will be presented at the meeting. Winners will be eligible for entrance into the national competition held during Internal Medicine Meeting 2019. Contact Carol Wang at cwang@omahamedical.com for information about entering the Resident/Fellow Members and Medical Students Competition.

Resident/Fellow Members poster competition Friday evening.
Medical Student poster competition Saturday morning.

Early Career Physicians' Activities

Early Career Physician abstracts will be accepted and one will be selected for oral presentation at the annual meeting Friday evening. The others will be presented at the poster session Friday evening. Contact Carol Wang at cwang@omahamedical.com for information about submitting an abstract.

Learning Objectives

At the conclusion of this activity, the participant will be able to:

- Utilize and implement current guidelines in the diagnosis and treatment of patients with *C. difficile* infection.
- Understand and employ current concepts in perioperative medicine
- Review concepts relevant to evaluating unknowns in internal medicine.
- Manage gouty arthritis and recognize recent changes in the American College of Physician guidelines compared with the American College of Rheumatology guidelines.
- Examine barriers to maintaining wellness as a woman in leadership.

Who should attend?

- General internists
- Subspecialty internists
- Family practitioners
- Fellows in subspecialty training
- Hospitalists
- Allied health practitioners
- Residents
- Medical students interested in internal medicine

CME Accreditation

The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this live activity for a maximum of **2.5 AMA PRA Category 1 Credit(s)**[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity (the Nebraska Chapter Scientific Meeting), which includes participation in the evaluation component, enables the participant to earn up to 2.5 medical knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
