Making Sense of It All: Current Innovations and Controversies in Medicine
This live activity has been designated for 13.5 CME credits.

ACP
American College of Physicians®
Leading Internal Medicine, Improving Lives
Dear Colleague,

Join us and your colleagues in internal medicine at the next scientific meeting of the Ohio and Air Force Chapters of the American College of Physicians, being held Thursday and Friday, October 4–5, 2018, at the Greater Columbus Convention Center in Columbus.

The meeting is a great way for you to recharge, rewind, and reflect with your peers, chapter leaders, and great speakers. Connect with the Ohio and Air Force Chapter’s rich source of knowledge content and networking by attending our premier meeting for general internists, subspecialty internists, hospitalists, allied health practitioners, residents, and medical students.

In addition to earning CME credits, this conference is about making personal contacts and getting involved in your chapter. You’ll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a physician, but also the needs of the patients you serve.

To ensure your place at this invaluable meeting, register now by visiting us online at ohchapter.acponline.org and airforcechapter.acponline.org.

We look forward to seeing you in Columbus.

Sincerely,

Michael J. Tan, MD, FACP, FIDSA
ACP Governor, Ohio Chapter

Matthew Carroll, MD, FACP
ACP Governor, Air Force Chapter

SEP Note

The Ohio Chapter will provide you with a learner’s copy of the ABIM module(s) at the meeting. If you are enrolled in the ABIM’s Maintenance of Certification program, you also must order the module* directly from the ABIM by visiting www.abim.org/online. After the Learning Session, submit your answers online to the ABIM for Maintenance of Certification credit. For more information about the ABIM’s Maintenance of Certification program, visit www.abim.org/moc or call ABIM at 800-441-ABIM (2246).

Important Information Regarding ABIM SEP Modules at the 2018 ACP Ohio/Air Force Chapter Meeting

On Thursday and Friday, October 4–5, 2018, the Ohio/Air Force Chapter Meeting will be holding SEP Module Updates in the following categories: Gastroenterology, Geriatrics, and Hospice and Palliative Care Medicine.

This will be the last time these modules will be offered to anyone. ABIM is changing the availability of all SEP modules, and these modules will NO LONGER BE AVAILABLE AFTER JUNE 30, 2018.

If you are planning to attend these modules and claim MOC points you must follow the conditions below:

1. You must order the module(s) from the ABIM Physician Portal by June 30, 2018. We are not able to extend the deadline. This means you must commit well in advance of the meeting dates.

2. The deadline for submitting the completed module(s) has been extended to November 15 to allow ample time for submission following your October 4–5 learning session.

3. You will be able to earn 10 MOC points for each module.

Please be sure to observe the above deadlines. No exceptions will be made. ABIM is allowing registrants who order these modules through June 30 to complete the module and claim MOC after our Chapter Meeting. SEP participants who do not order the module by June 30 will NOT be able to claim MOC credit.

*If you are already enrolled in the ABIM Maintenance of Certification program, there is no additional fee for this official version of the module. If you are not enrolled, you may attend the Learning Session; however, you must enroll before receiving Maintenance of Certification points for the knowledge module. To enroll, visit www.abim.org/online.
