Meeting Highlights

- Screening and Prevention of Chronic Diseases
- Medical Marijuana: Evidence-based Treatment
- Public Health Update
- Physician Wellness: A National ACP Perspective
- Hospital Medicine: Clinical Challenges
- Clinical Reasoning for Clinicians

Dear Colleague,

Join me and your colleagues in internal medicine at the next scientific meeting of the Vermont Chapter of the American College of Physicians, being held Friday, October 12, 2018, at the Trapp Family Lodge.

The meeting is a great way for you to recharge, rewind, and reflect with your peers, chapter leaders, and great speakers. Connect with the Vermont Chapter’s rich source of knowledge content and networking by attending our premier meeting for general internists, subspecialty internists, hospitalists, allied health practitioners, residents, and medical students.

In addition to earning CME credits, this conference is about making personal contacts and getting involved in your chapter. You’ll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a physician but also the needs of the patients you serve.

To ensure your place at this invaluable meeting, register now by visiting us online at vtchapter.acponline.org.

I look forward to seeing you in Stowe.
Sincerely,

Jan K. Carney, MD, MPH, FACP
ACP Governor, Vermont Chapter

Meeting Information

Resident/Fellow Members’ and Medical Students’ Activities
Clinical vignettes and posters prepared by Resident/Fellow Members and Medical Students will be presented at the meeting. Winners will receive recognition and be eligible for entrance into the national competition held during Internal Medicine Meeting 2019. Contact Allen Repp, MD, at Allen.Repp@uvmhealth.org for information about entering the Resident/Fellow Members’ Competition. Instructions on writing an abstract can be found at the ACP Web site: https://www.acponline.org/membership/residents/competitions-awards/abstracts/preparing.

Selected abstracts will be presented at the Vermont ACP meeting as a poster. At the Vermont ACP meeting, judges will choose a winning poster in each category. The winners will receive support to attend and present at the ACP Internal Medicine Meeting on April 11–13, 2019, in Philadelphia, PA.

The deadline to submit an abstract is August 31. The submitting resident will be notified of acceptance by September 17. Abstracts can be submitted in Word or PDF format by e-mail to Allen Repp, MD, at Allen.Repp@uvmhealth.org.

Who should attend?
• General internists
• Subspecialty internists
• Family practitioners
• Fellows in subspecialty training
• Hospitalists
• Allied health practitioners
• Residents
• Medical students interested in internal medicine

CME Accreditation
The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this live activity for a maximum of 6.5 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 6.5 medical knowledge MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credit claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Learning Objectives
At the conclusion of this activity, the participant will be able to:
• Apply updated knowledge of coagulation controversies and management of common pulmonary disorders to clinical practice.
• Improve clinical practice by incorporating major new developments in evidence-based treatment in medical marijuana and screening and prevention of chronic diseases.
• Understand recent advances in hospital medicine and clinical reasoning for clinicians.
• Diagnose and manage, screen, and prevent common pulmonary disorders.
• Increase confidence in performing screening and prevention of chronic diseases and in managing pulmonary disorders.
