Fostering Excellence in Internal Medicine
This live activity has been designated for 13.5 CME credits and 13.5 MOC points.
An additional 2 CME credits can be obtained by attending the SEP session.
Dear Colleague,

Join me and your colleagues in internal medicine at the next scientific meeting of the Alabama and Mississippi Chapters of the American College of Physicians, being held June 5–7, 2020, at the Renaissance Ross Bridge Golf Resort & Spa.

The meeting is a great way for you to recharge, rewind, and reflect with your peers, chapter leaders, and great speakers. Connect with your chapter’s rich source of knowledge content and network by attending our premier meeting for general internists, subspecialty internists, hospitalists, allied health practitioners, residents, and medical students.

In addition to earning CME credits, this conference is about making personal contacts and getting involved in your chapter. You’ll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a physician, but also the needs of the patients you serve.

To ensure your place at this invaluable meeting, register now by visiting us online at

We look forward to seeing you in Birmingham.

Sincerely,

William Curry, MD, MACP

CME Accreditation

The American College of Physicians (ACP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The ACP designates each live activity for the number of AMA PRA Category 1 Credit(s)™ listed below. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Alabama-Mississippi Chapters Scientific Meeting for a maximum of 13.5 AMA PRA Category 1 Credit(s)™.

The SEP modules post course, for a maximum of 2 AMA PRA Category 1 Credit(s)™.

Successful completion of this CME activity (the Alabama-Mississippi Chapters Scientific Meeting), which includes participation in the evaluation component, enables the participant to earn up to 13.5 medical knowledge MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
