Fostering Excellence in Internal Medicine
This live activity has been designated for a maximum of
13.5 CME credits and 9.5 MOC points.
Dear Colleague,

Join me and your colleagues in internal medicine at the next scientific meeting of the Colorado Chapter of the American College of Physicians, being held February 6–8, 2020, at the Broadmoor Hotel.

The meeting is a great way for you to recharge, rewind, and reflect with your peers, chapter leaders, and great speakers. Connect with the Colorado Chapter’s rich source of knowledge content and networking by attending our premier meeting for general internists, subspecialty internists, hospitalists, allied health practitioners, residents, and medical students.

In addition to earning CME credits, this conference is about making personal contacts and getting involved in your chapter. You’ll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a physician but also the needs of the patients you serve.

To ensure your place at this invaluable meeting, register now by visiting us online at cochapter.acponline.org.

I look forward to seeing you in Colorado Springs.

Sincerely,

Christie Reimer, MD, FACP
ACP Governor, Colorado Chapter

**CME Accreditation**
The American College of Physicians (ACP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The ACP designates each live activity for the number of **AMA PRA Category 1 Credit(s)™** listed below. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Colorado Chapter Scientific Meeting for a maximum of **9.5 AMA PRA Category 1 Credit(s)™**
The SEP modules Pre-Course for a maximum of **4 AMA PRA Category 1 Credit(s)™**

Successful completion of this CME activity (the Colorado Chapter Scientific Meeting), which includes participation in the evaluation component, enables the participant to earn up to 9.5 medical knowledge MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

If you are already enrolled in the ABIM Maintenance of Certification program, there is no additional fee for this official version of the module. If you are not enrolled, you may attend the Learning Session; however, you must enroll before receiving Maintenance of Certification points for the knowledge module. To enroll, visit www.abim.org/online.
