Dear Colleague,

Join me and your colleagues in internal medicine at the next scientific meeting of the Kansas Chapter of the American College of Physicians, being held October 10-11, 2019, at the Wichita Marriott.

The meeting is a great way for you to recharge, rewind, and reflect with your peers, chapter leaders, and great speakers. Connect with the Kansas Chapter’s rich source of knowledge, content and networking by attending our premier meeting for general internists, subspecialty internists, hospitalists, allied health practitioners, residents, and medical students.

In addition to earning CME credits, this conference is about making personal contacts and getting involved in your chapter. You’ll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a physician but also the needs of the patients you serve.

To ensure your place at this invaluable meeting, register now by visiting us online at kschapter.acponline.org.

I look forward to seeing you in Wichita.

Sincerely,

Isaac O. Opole, MBChB, PhD, FACP
ACP Governor, Kansas Chapter

Learning Objectives
At the conclusion of this activity, the participant will be able to:

• Apply updated knowledge of new oncology treatments, hepatitis treatment, sepsis care, inpatient nutrition, iron replacement, transfusion medicine, telemedicine, wound care, and cancer survivorship to clinical practice.

• Improve clinical practice by incorporating major new developments in oncology, functional medicine, hepatitis, and sepsis care.

• Understand recent advances in iron replacement, transfusion medicine, bariatric surgery, and cancer survivorship.

• Diagnose and manage common ENT and neurology conditions seen in internal medicine practices.

• Increase understanding of physician burnout and investment strategies.

• Understand political advocacy and reform.

Who Should Attend?
• General internists
• Subspecialty internists
• Fellows in subspecialty training
• Hospitalists
• Allied health practitioners
• Residents
• Medical students interested in internal medicine

CME Accreditation and MOC Points
The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this live activity for a maximum of 11 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 11 medical knowledge MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credit claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
