Dear Colleague,

Join me and your colleagues in internal medicine at the next scientific meeting of the MT Chapter of the American College of Physicians, being held September 12–14, 2019, at the Benefis East Campus.

The meeting is a great way for you to recharge, rewind, and reflect with your peers, chapter leaders, and great speakers. Connect with the MT Chapter’s rich source of knowledge content and networking by attending our premier meeting for general internists, subspecialty internists, family practitioners, fellows in subspecialty training, hospitalists, allied health practitioners, residents, and medical students interested in internal medicine.

In addition to earning CME credits, this conference is about making personal contacts and getting involved in your chapter. You’ll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a physician, but also the needs of the patients you serve.

To ensure your place at this invaluable meeting, register now by visiting us online at mtchapter.acponline.org.

I look forward to seeing you in Great Falls.

Sincerely,

Pam Hiebert, MD, FACP
ACP Governor, Montana Chapter

CME Accreditation and MOC Points
The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this live activity for a maximum of 14 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 14 medical knowledge MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credit claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
