Dear Colleagues,

These are certainly unprecedented times. Who would have known when we chose the theme for this year’s meeting, we would literally be integrating medicine and technology?

COVID-19 has been a great disruptor to all that was normal in our everyday lives. We want you to know that as your professional home, we are here for you and we want to support you as you do what you do best, take care of patients. That is one thing that has not been disrupted.

That is why we are thrilled to be able to bring you the 2020 Scientific Meeting virtually. While the meeting will look a little different than in past years, we are committed to providing cutting-edge clinical information and highlighting the work of our residents and students through our abstract competition. We will also be able to offer an Internal Medicine and a Hospital Medicine SEP module virtually. Look for more details in this registration guide.

If you registered for the March meeting, you are already registered to attend the virtual event. If you didn’t register in March, this is your opportunity to secure your place at this invaluable meeting, register at: https://store.acponline.org/ebiz/events-calendar/meeting-details/productid/279897528

We look forward to seeing you online!

Sincerely,

Jonathan Shammash, MD, FACP - Northern Region Governor
Nayan Kothari, MD, MACP - Southern Region Governor
Mirela Feurdean, MD, FACP - Scientific Meeting Chair
Tamie Proscia-Lieto, MD, FACP - Scientific Meeting Vice Chair

CME Accreditation – Scientific Meeting

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the New Jersey Academy of Family Physicians and the American College of Physicians New Jersey Chapter. The New Jersey Academy of Family Physicians is accredited by the ACCME to provide continuing education for physicians.

The New Jersey Academy of Family Physicians designates this live activity for a maximum of 6.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participants to earn up to 6.0 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program.

Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participants’ completion information to ACCME for the purpose of granting ABIM MOC credit.
