Dear Colleague,

Join us and your colleagues in internal medicine at the next scientific meeting of the OH/USAF Chapter of the American College of Physicians, being held October 17–18, 2019, at the Greater Columbus Convention Center.

The meeting is a great way for you to recharge, rewind, and reflect with your peers, Chapter Leaders, and great speakers. Connect with the OH/USAF Chapters’ rich source of knowledge content and networking by attending our premier meeting for general internists, subspecialty internists, family practitioners, fellows in subspecialty training, hospitalists, allied health practitioners, residents, and medical students interested in internal medicine.

In addition to earning CME credits, this conference is about making personal contacts and getting involved in your Chapter. You’ll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a physician, but also the needs of the patients you serve.

To ensure your place at this invaluable meeting, register now by visiting us online at ohchapter.acponline.org and airforcechapter.acponline.org.

We look forward to seeing you in Columbus.

Sincerely,

Craig D. Nielsen, MD, FACP
ACP Governor, Ohio Chapter

At the conclusion of this activity, the participant will be able to:
• Apply updated knowledge of Infectious Diseases diagnostic testing, anxiety to stress testing, and telehealth to clinical practice
• Improve clinical practice by incorporating major new developments in liver transplantation, and mitral valve disease
• Understand and manage care of the transgender and gender nonbinary patient
• Understand the impact of social media on medicine
• Apply updated knowledge of women’s health in kidney disease

Who Should Attend?
• General internists
• Subspecialty internists
• Family practitioners
• Fellows in subspecialty training
• Hospitalists
• Allied health practitioners
• Residents
• Medical students interested in internal medicine

CME Accreditation and MOC Points
The American College of Physicians (ACP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The ACP designates each live activity for the number of AMA PRA Category 1 Credit(s)™ listed below. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Ohio/Air Force Scientific Meeting for a maximum of 11 AMA PRA Category 1 Credit(s)™
The SEP modules post course, for a maximum of 2 AMA PRA Category 1 Credit(s)™

Successful completion of this CME activity (the Ohio/Air Force combined Chapter Scientific Meeting), which includes participation in the evaluation component, enables the participant to earn up to 11 medical knowledge MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Grand Total $ _______________
Volunteerism/Outreach Opportunity

This year, the Volunteerism Committee of the Ohio Chapter has chosen I Support the Girls as their fundraising partner.

Through an international network of Affiliates, I Support the Girls collects and distributes essential items, including bras, underwear, and menstrual hygiene products, allowing women experiencing homelessness, impoverishment, or distress to stand tall with dignity.

The Columbus branch of I Support the Girls started in 2017. Through its 16 donation sites, corporate and individual contributions, it has provided 56,449 products to homeless and financially insecure women and girls at soup kitchens, homeless and domestic violence shelters, and pop-up community events.

You can find out more by visiting https://isupportthegirls.org/ or make a monetary donation by visiting http://bit.ly/ISTGCo-lumbus

In addition, there will be an opportunity to donate money, new feminine hygiene products, or new or gently used bras at the meeting, and participate in a hands-on activity to pack products for local Columbus women and girls in need.

Thanks you in advance for your support!
