Dear Colleague,

Join me and your colleagues in internal medicine at the next scientific meeting of the Wyoming Chapter of the American College of Physicians, being held October 18-19, 2019, at the University of Wyoming WWAMI Classroom.

The meeting is a great way for you to recharge, rewind, and reflect with your peers, chapter leaders, and great speakers. Connect with the Wyoming Chapter’s rich source of knowledge content and networking by attending our premier meeting for general internists, subspecialty internists, hospitalists, allied health practitioners, residents, and medical students.

In addition to earning CME credits, this conference is about making personal contacts and getting involved in your chapter. You’ll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a physician, but also the needs of the patients you serve.

To ensure your place at this invaluable meeting, register now by visiting us online at wychapter.acponline.org.

I look forward to seeing you in Laramie.

Sincerely,

Mike Tracy, MD
ACP Governor, Wyoming Chapter
