2020 SCIENTIFIC MEETING
FOSTERING EXCELLENCE IN INTERNAL MEDICINE

SEPTEMBER 11-12, 2020
NEW THIS YEAR: Virtual Meeting Format
From the comfort of your own home or office - on your computer or mobile device.

This event has been designated for a maximum of 9.5 CME credits.

Program Co-Chairs: Bipin Thapa, MD, MS, FACP and Thomas D. Shiffler, MD, FACP
Dear Colleague,

I invite you to join me and your colleagues in internal medicine at the first VIRTUAL scientific meeting of the Wisconsin Chapter of the American College of Physicians, being held September 11-12.

This meeting is not just for ACP members. I particularly want to invite nonmembers to join us for this important clinical update and to learn about the benefits of membership at the same time.

In addition to earning up to 9.5 CME credits, by attending this meeting you will:

• Gain insight into recent medical advances.
• Discuss local and national public health issues affecting the practice and teaching of internal medicine.

To ensure your place at this invaluable meeting, complete the registration form at the back of this brochure and send it in today. The opportunities available at this meeting will help you meet not only your needs as a physician, but also the needs of the patients you serve.

Sincerely,

Noel N. Deep, MD, FACP
ACP Governor, Wisconsin Chapter
