Air Force & Army Chapters
Scientific Meeting
2017

September 7–9, 2017
Gateway Club
Lackland Air Force Base, Texas

Register Online Today!

Military Medicine for the Internist through the 21st Century
This live activity has been designated for 11 CME and MOC credits.
Meeting Highlights

- Fellow and Early Career Physician (ECP) poster and podium research competition
- Doctor’s Dilemma™
- Hands-on primary care and critical care ultrasound training
- General Internal Medicine and IM Specialty breakout sessions
- ACP Air Force and Army Chapter meetings and town hall
- USU Faculty Development sessions

Dear Colleague,

Join us and your colleagues in internal medicine at the next scientific meeting of the Air Force & Army Chapters of the American College of Physicians, being held September 7–9, 2017, at the Gateway Club, Lackland Air Force Base.

The meeting is a great way for you to recharge, rewind, and reflect with your peers, chapter leaders, and great speakers. Connect with the Air Force & Army Chapter’s rich source of knowledge content and networking by attending our premier meeting for general internists, subspecialty internists, hospitalists, allied health practitioners, residents, and medical students.

In addition to earning CME credits, this conference is about making personal contacts and getting involved in your chapter. You’ll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a physician, but also the needs of the patients you serve.

To ensure your place at this invaluable meeting, register now by visiting us online at airforcechapter.acponline.org or armychapter.acponline.org.

We look forward to seeing you in San Antonio!

Sincerely,

Matthew B. Carroll, MD, FACP, FACR
ACP Governor, Air Force Chapter

LTC Cristin A. Mount, MD, FACP
ACP Governor, Army Chapter
Schedule at a Glance

Military Medicine for the Internist through the 21st Century

Thursday, September 7, 2017
7:00 a.m.
Welcome
Matthew B. Carroll, MD, FACP, FACR, (Air Force Chapter Governor), and LTC Cristin A. Mount, MD, FACP (Army Chapter Governor)

Plenary Session—Pulmonary/Critical Care: Asthma and the Effects of Deployment

8:10
USAF Special Guest Speaker
Brigadier General J.J. DeGoes

9:00
Plenary Session—Cardiology
Primary Care Ultrasound

10:00
Plenary Session—Gastroenterology

11:00
Air Force & Army Readiness

Noon
ACP Air Force & Army Chapter Governor’s Council and Town Hall Meeting

1:00 p.m.
USU Faculty Development Topic—Teaching the Next Generation of Learners: Effective Learning and Teaching
Resident Clinical Vignette and Quality Improvement Poster Competition
Fellow and Early Career Physician Podium Competition

2:00
Gastroenterology, Rheumatology, Pulmonary/Critical Care/Sleep, and Nephrology Breakout Sessions

Friday, September 8, 2017
7:00 a.m.
Welcome
Matthew B. Carroll, MD, FACP, FACR (Air Force Chapter Governor), and LTC Cristin A. Mount, MD, FACP (Army Chapter Governor)

7:15
Plenary Session—Infectious Disease

8:15
Plenary Session—Nephrology

9:15
Critical Care Ultrasound

9:30
Resident Podium Research Competition

12:15 p.m.
Lunch (on your own)

1:30
Cardiology, Infectious Disease, General Medicine, Endocrinology, and Hematology/Oncology Breakout Sessions
Airway Management Simulation Scenarios

4:45
Social Time with Doctor’s Dilemma™, Laureate Awards, and other distinguished awards presented

Saturday, September 9, 2017
7:45 a.m.
Welcome
Matthew B. Carroll, MD, FACP, FACR (Air Force Chapter Governor), and LTC Cristin A. Mount, MD, FACP (Army Chapter Governor)

8:00
Plenary Session—Hematology/Oncology

9:00
Plenary Session—Endocrinology

10:00
Plenary Session—Rheumatology

11:00
Awards

Noon
Depart
Meeting Information

Faculty

LtCol Eddie D. Davenport, MD, USAF CENTCOM USFOR-A
Tom J. Sauerwein, MD, FACE, Director, Diabetes Center of Excellence, Key Clinical Faculty, SAUSHEC Endocrinology, Clinical Professor of Medicine, USUHS, Endocrinology Program Director Emeritus Plenary Session
Henry J Binder, MD, Professor Emeritus and Senior Research Scientist in Medicine (Digestive Diseases), Yale School of Medicine, New Haven, CT
Brigadier General J.J. DeGoes, MD, FACP, Vice Commander, 59th Medical Wing, Joint Base San Antonio-Lackland, Texas
George A. Eapen, MD, FACP, FCCP, Professor of Medicine, Section Chief, Interventional Pulmonology Program Director, Interventional Pulmonology Fellowship Program, Department of Pulmonary Medicine, MD Anderson Cancer Center
Michael Osswald, MD, FACP, Hematologist/Oncologist, San Antonio Military Medical Center
Lynn Horvath, MD, FACP, FIDSA, Infectious Disease Specialist, South Texas Veterans Health Care System
Thomas Hoffmann, MD, Rheumatologist, San Antonio Military Medical Center, Joint Base San Antonio-Fort Sam Houston
DeAndra Martin, MD, Medical Director Dialysis, South Texas Veterans Health Care System, Assistant Professor Nephrology, UT Health San Antonio

Program Committee

Tatjana P. Calvano, DO, FACP
Matthew B. Carroll, MD, FACP, FACR
Michael J. Morris, MD, MACP
Cristin A. Mount, MD, FACP
Andrew J. Skabelund, MD, FACP
Robert J. Walter, MD, DHCE

Special thanks to our Breakout Session Coordinators

Cardiology:
Rosco Gore, MAJ, MC, USA

Nephrology:
Benjamin D. Morrow, Maj, USAF, MC
benjamin.d.morrow4.mil@mail.mil

Rheumatology:
Thomas N. Hoffman, LTC, MC, USA
thomas.n.hoffmann.mil@mail.mil

Resident/Fellow Members’ Activities

Clinical vignettes, quality improvement projects, and research projects prepared by Resident/Fellow Members will be presented at the meeting. Resident winners are eligible for entrance into the national competition during Internal Medicine Meeting 2018 to be held in New Orleans, LA.

Original clinical vignette (CV), performance improvement (PI), or research projects are eligible, with most of the work expected to have been completed by the Associate. Faculty mentors are strongly encouraged to assist with literature review, editing, and proofreading but not rewriting the entire abstract. CVs, PI, and research that have been submitted and/or presented at local or other regional meetings (e.g., a state ACP Chapter meeting) remain eligible, provided that it did not win an award at the regional level (any local/hospital level award remains eligible). Projects that have been presented at a national meeting (national ACP or subspecialty meetings) are ineligible.

CVs, PI, and research that have been published are ineligible, except for those published only in a hospital-level publication. Publication clearance is the responsibility of the submitter.

There will be NO central abstract submission. Abstracts should be submitted to the local MTF program director or designee. Abstract judging will be done within each IM program. After each program decides on the 3 abstracts to be submitted for the meeting, the designated abstract for each competition (CV, PI, Research) will be forwarded to the meeting coordinator: Maj Andy Skabelund, USAF, MC; andrew.j.skabelund.mil@mail.mil.

The due date for final abstracts from each MTF is June 16, 2017. Additional resident abstracts may be submitted to the specialty breakout coordinators. However, the presenters must obtain TDY funding through local GME funds. There will be no central funding for any breakout session presenters. Breakout session coordinators are noted above and submissions are also due by June 16, 2017.
Early Career Physicians’ Activities

For the first time, our combined Chapter meeting will host a session for early career physicians (ECPs) to present clinical vignettes, quality improvement projects, and research either as a poster or potentially at the podium to a panel of experienced judges. Although the ACP defines an ECP as a member within 16 years of their training, we request that this forum be an opportunity for ACP Members who are within 6 years of completing their training to present their work. We will also have hands-on, 2-hour educational sessions teaching Primary Care and Critical Care Ultrasound skills, with registration priority for these sessions going to our Chapter’s ECPs.

Learning Objectives

At the conclusion of this activity, the participant will be able to:

• Apply updated knowledge of internal medicine to clinical practice in the military.
• Improve clinical practice by incorporating major new developments in subspecialty medicine.
• Enhance faculty development skills for your military treatment facility.
• Increase confidence in performing bedside ultrasonography.

Who should attend?

• General internists
• Subspecialty internists
• Family practitioners
• Fellows in subspecialty training
• Hospitalists
• Residents
• Medical students interested in internal medicine

Chapter Awards

It is with distinct pleasure that the Air Force and Army Chapters will present recipients from their respective chapters with Laureate Awards. Laureate Award winners are long-standing and loyal supporters of the College who have rendered distinguished service to their chapters and community and have upheld the high ideals and professional standards for which the College is known. The award will be presented during the Doctor’s Dilemma™ event.

Additional Chapter specific awards will also be presented, so please congratulate our award winners at our meeting.

CME Accreditation and MOC Points

The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this live activity for a maximum of 11 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 11 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
Hotel Accommodations

We have reserved a block of rooms at the per diem rate of $121/night at the Marriott Plaza San Antonio Hotel located at 555 S. Alamo Street, San Antonio, TX, right on the River Walk. When making your reservation, be sure to mention that you will be attending the Department of Defense—Army/Air Force ACP meeting. The phone number is 228-229-1000 and the website is: www.marriott.com/hotels/travel/satpl-marriott-plaza-san-antonio/. You may also call the Marriott Reservation line at (800) 228-9290.

It is recommended that reservations be made by attendees before the cut-off date of Friday, August 4, 2017. The rooms are available on a first-come, first-served basis, so make your reservation as early as possible. Reservations after this date will be accepted for attendees on a space and rate available basis.

Transportation

A shuttle to and from the Marriott Plaza San Antonio will be available once a day, leaving 45 minutes before the first conference event of the day and returning at the end of the conference day. There is no cost for this shuttle.

Meals

Food is available at the Gateway Club Dining Hall, purchased on your own. There will be morning and afternoon hors d’oeuvres with other snacks during the conference. Friday evening there will be a social hour during the Doctor’s Dilemma™ with presentation of Laureate Awards and other achievement awards to distinguished members of both Chapters. Please join us for this special part of the conference to honor these prominent Chapter members.

Uniform of the Day

The uniform of the day for Thursday and Friday will be Air Battle Uniform (Air Force) or Army Combat Uniform/Operational Camouflage Pattern (Army). Army speakers should be in Army Service Uniform. Air Force speakers may be in their Air Battle Uniform.

On Saturday attendees may wear business casual civilian attire in anticipation of travel back to duty station.
