Dear Colleague,

Join me and your colleagues in internal medicine at the next scientific meeting of the Georgia Chapter of the American College of Physicians, being held September 29–October 1, 2017, at the Hyatt Regency in Savannah.

The meeting is a great way for you to recharge, rewind, and reflect with your peers, chapter leaders and great speakers. Connect with the Georgia Chapter’s rich source of knowledge content and networking by attending our premier meeting for general internists, subspecialty internists, hospitalists, allied health practitioners, residents and medical students.

In addition to earning CME credits and MOC points, this conference is about making personal contacts and getting involved in your chapter. You’ll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a physician, but also the needs of the patients you serve.

To ensure your place at this invaluable meeting, register now by visiting us online at www.gaacp.org

I look forward to seeing you in Savannah.

Sincerely,

Walter Moore, MD, MACP
ACP Governor, Georgia Chapter

Resident/Fellow Member and Medical Student Activities

Clinical vignettes, posters, and research papers prepared by Early Career/Faculty, Resident/Fellow, and Medical Student Members will be presented at the meeting. Winners will receive cash prizes and some will be eligible for entrance into the national competition held during Internal Medicine Meeting 2018. Contact Jessica Carson at jcarson@gaacp.org for information about entering the Resident/Fellow Members’ Competition.

2017 Academic Faculty:
Lora Denton, MD, FACP
Mary Downing, MD, FACP
Jason Higdon, MD, FACP

In addition to the Poster Competition, other activities for residents and students include Jeopardy and awards. Resident Council Leaders are invited to attend the Early Career Networking event and students are invited to attend the career planning session.

Learning Objectives
At the conclusion of this activity, the participant will be able to:
• Apply updated knowledge of internal medicine to clinical practice.
• Understand essential components of MACRA MIPS as it applies to the current practice of internal medicine.
• Understand recent advances in internal medicine.
• Understand and apply techniques of personal wellness as it applies to the practice of medicine.

Who Should Attend?
• General internists
• Subspecialty internists
• Family practitioners
• Fellows in subspecialty training
• Hospitalists
• Allied health practitioners
• Residents
• Medical students interested in internal medicine

Physician Wellness Workshop

Extinguishing the Flames: Physician Wellness Workshop

Friday, September 29, 2017

Attend the wellness workshop to discover several tools to address organizational and/or personal factors to help mitigate burnout. Attendees will walk away with practical examples that can be included into your practice from day one. Items covered in the workshop include:
• Brief review of the literature
• Ways to measure burnout
• Accomplishing organizational change
• Resiliency techniques
• Work–life integration

CME Accreditation and MOC Points

The American College of Physicians (ACP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The ACP designates each live activity for the number of AMA PRA Category 1 Credit(s)™ listed below. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Georgia Chapter Scientific Meeting for a maximum of 12 AMA PRA Category 1 Credit(s)™
The SEP modules post course, for a maximum of 4 AMA PRA Category 1 Credit(s)™

Successful completion of this CME activity (the Georgia Chapter Scientific Meeting), which includes participation in the evaluation component, enables the participant to earn up to 12 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
