This live activity has been designated for 9.25 CME credits and 9.25 MOC points. An additional 4 CME credits can be obtained through the SEP modules.
Dear Colleague,

Join me and your colleagues in internal medicine at the next scientific meeting of the Maryland Chapter of the American College of Physicians, being held February 2–3, 2018, at the Turf Valley Resort & Conference Center.

The meeting is a great way for you to recharge, rewind, and reflect with your peers, chapter leaders, and great speakers. Connect with the Maryland Chapter’s rich source of knowledge content and networking by attending our premier meeting for general internists, subspecialty internists, hospitalists, allied health practitioners, residents, and medical students.

In addition to earning CME credits, this conference is about making personal contacts and getting involved in your chapter. You’ll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a physician but also the needs of the patients you serve.

To ensure your place at this invaluable meeting, register now by visiting us online at mdchapter.acponline.org.

I look forward to seeing you in Ellicott City.

Sincerely,

Stephen D. Sisson, MD, FACP  
ACP Governor, Maryland Chapter

Meeting Information

Resident/Fellow Members’ and Medical Students’ Activities
The chapter will be holding Doctor’s Dilemma® and Iron Med Competitions for Residents. Iron Med is an interactive program that allows residents to test their medical skills and will be held from 11:00 a.m.–2:00 p.m. on Saturday. Prizes will be awarded during the Doctor’s Dilemma competition on Saturday afternoon, which will be held from Noon–5:00 p.m.

Learning Objectives
At the conclusion of this activity, the participant will be able to:
• Apply updated knowledge of infectious disease, cardiology, and rheumatology to clinical practice.
• Improve clinical practice by incorporating major new developments in nephrology, pulmonology, and problem solving
• Diagnose and manage GI, geriatric, and thyroid problems
• Understand issues surrounding Maryland’s Proposed End of Life Option Act

Who Should Attend?
• General internists
• Subspecialty internists
• Family practitioners
• Fellows in subspecialty training
• Hospitalists
• Allied health practitioners
• Residents
• Medical students interested in internal medicine

Chapter Awards
It is with distinct pleasure that the Maryland Chapter honors chapter members with chapter awards. The following awards will be presented: Theodore E. Woodward Award for Medical Education, Samuel P. Asper Award for Excellence in Internal Medicine, Mary Betty Stevens Award for Clinical Research, Philip A. Mackowiak Student Achievement Award, Hospitalist Award, and the Governor’s Service Award. The awards will be presented during the reception on Friday.

CME Accreditation and MOC Points
The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this live activity for a maximum of 9.25 AMA PRA Category 1 Credit[s]™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 9.25 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
