Vermont Chapter Scientific Meeting
2017

October 20, 2017
Trapp Family Lodge
Stowe, Vermont

Fostering Excellence in Internal Medicine
This live activity has been designated for 6.5 CME credits.
Dear Colleague,

Join me and your colleagues in internal medicine at the next scientific meeting of the Vermont Chapter of the American College of Physicians, being held October 20, 2017, at the Trapp Family Lodge.

The meeting is a great way for you to recharge, rewind, and reflect with your peers, chapter leaders, and great speakers. Connect with the Vermont Chapter’s rich source of knowledge content and networking by attending our premier meeting for general internists, subspecialty internists, hospitalists, allied health practitioners, residents, and medical students.

In addition to earning CME credits, this conference is about making personal contacts and getting involved in your chapter. You’ll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a physician but also the needs of the patients you serve.

To ensure your place at this invaluable meeting, register now by visiting us online at vtchapter.acponline.org.

I look forward to seeing you in Stowe.

Sincerely,

Jan Carney, MD, FACP, MPH
ACP Governor, Vermont Chapter
