

Clinical Vignette & Research Poster Competition Guidelines
Medical Student, Resident/Fellow, & Early Career Physician Members

Participants must set up their poster in the Medical Student – Resident/Fellow - Early Career Physician Poster Area, located in Hall F2 of the Chicago Convention Center. Each presenter has been assigned a specific poster board number. You will be sent an email with a link to check-in a few hours before your assigned poster session. This check-in process will generate the board number and display this information. Please see staff in the adjacent Hospitality Area for presenter ribbons.

Each presenter will be asked to give a 4 minute “presentation overview” of their work, leaving 6 minutes for a question and answer session with the judges. All winners will be announced at the Young Achievers Recognition Reception on Saturday evening. Results will also be posted on the website the week following the Internal Medicine Meeting 2022.

Each presenter will be allocated a space of 4 feet wide by 4 feet in length. Presenters will be required to adhere to these limits. No exceptions can be made. ***It is suggested that the final poster size be slightly smaller than the allocated board dimensions - 3 ½ feet wide by 3 ½ feet in length.*** It has a cork base, with a fabric covering. Push-pins will be available on-site. You are asked to make no major alterations in the text of your abstract. This is strictly a poster competition. Therefore, laptops with slide shows are not permitted as part of your presentation.

Category	Location	Date	Set-up	Judging	Tear-down
Early Career Physician Research* and Clinical Vignette Basic Research Clinical Research Quality Improvement/Patient Safety High Value Care	Hall F2	Thursday, April 28, 2022	8:30 AM – 10:30 AM	10:45 AM – 12:30 PM	12:30 PM – 4:00 PM

***Research posters should include a copy of the abstract, typed in a large font, and posted in the upper left-hand corner of the poster board.**

ePoster

In addition to a paper poster that you will bring to the meeting, you will need to create a Voice-Over PowerPoint presentation then convert it to an MP4 file. There is a 1 slide limit for the ePoster. Instructions on how to create a Voice-over PowerPoint can be found on our website in the Frequently Asked Questions document.
